

# CONGRESS SCHEDULE

## PROGRESSIVE ENERGY & ENVIRONMENT CONGRESS

Success stories  
Case Studies

Executive attendance  
promotes learning in an  
intimate setting

Next-generation  
environmental initiatives  
being implemented in  
today's energy conscious  
operations

"In an effort to reduce our impact on the environment, we've switched from a printed program to a digital one that can be viewed on your mobile device. Go to <http://www.fmaintl.com/mobile5.htm>

Scan the QR Code to the right using any QR Code Reader which you can download from Blackbery App World, Android App Market, or the App Store on your iPhone."

Should you like to not keep the lanyards and padfolios provided to you, we will re-use them for future events. Kindly return them to us at the registration desk at the end of the event.

## Day 1 - Monday, May 14th, 2012
